TEACHING – NOT A JOB BUT MINISTRY

- Each and every profession occupies a specific place and respect in the society.
- For example, Doctors heal patients. Engineers design and bankers handle money.
- But teaching profession is above all these. It requires great responsibility as compared to any another job.
- We all know that education field is vast and it has widened its horizon. Students join the field of Science, Commerce, Arts, Hotel Management, Fashion Designing ,Technology and many others.
- In every field, there is only thing is common that is the teacher. He/ She is always there in every field to show the right path to the students.
- It is a well-known fact that “Even a diamond will have no value and beauty if there is no person to carve and cut it into slices.”
- All children have a lots of talents in them; it is the teachers who recognize their potentialities and guide them to shine like stars.
- The Bible says "A disciple is not above his teacher, but when he is fully trained he will be like his teacher."- Luke 6:40
- The outcome of every good teacher is to make children become like the teacher, knowing what is good and bad.
- The Israelites are called God’s chosen race. Likewise, among millions of people we are chosen to be teachers.
- Teaching is a gift from God. The Holy Bible says, “If your gift is to teach, do it well.”
- So It is not a mere job or profession but a ministry, vocation or a calling.
- Teaching is a very noble profession that shapes the character, caliber, and future of an individual. If the people remember me as a good teacher, that will be the biggest honour for me. - A. P. J. Abdul Kalam.
- Education is a joint venture between home and school. A child’s success is a shared responsibility between the teachers, parents and students.
- But in most the schools only the teachers have to contribute more. So Let us continue do our best as mentioned in the Holy Scriptures.
- Do your best to win full approval in God's sight, as a worker who is not ashamed of his work, one who correctly teaches the message of God's truth - 2 Timothy 2:15

DEPARTMENT OF SCHOOL EDUCATIONS - DFT
CIRCULAR – REGARDING POSCO / ANTICORPORAL PUNISHMENT

All the staff members are requested to adhere to the child protection policies of the school. Staff are requested to strictly maintain healthy distance from girl students. Be quite professional in your attitude and avoid unpleasant situations. You're not allowed to comment on our students, pat/fondle them, exchange phone numbers, gifts or compliments. Be aware of the incidents in context with exposure of pornographic representations in any form. If any child reports on such incident, the staff will be imprisoned for a period of six months and ever will be terminated from service immediately. All these cases are under POSCO Act which is non-bailable offense.

Parents are quite particular that even kindergarten girl students are not to be pampered or touched by male staff, drivers, PETS etc. Laws are stern that no one can support you even if it is a manipulated case. Let us be mindful of our actions. The law offers all sorts of priority and security to the victims in spirit of evidence. The school has various initiatives to collect reports on teacher's approach towards students. If any case is reported against any teacher, he/she will be terminated from service without any delay. No grievances will be accepted post incident. It is your sole responsibility to be away from all sorts of controversies. At this moment, let us update ourselves with POSCO ACT and its legal sides.

POCSO or The Protection of children from Sexual Offences Act (POCSO Avt) 2012 was established to protect the children against offense like sexual abuse, sexual harassment and pornography. It was formed to provide a child friendly system for trial underneath which the perpetrators could be punished. Cases under POSCO Act is non-bailable offense and severe actions will be initiated.
