CAMPUS SUPERIOR MESSAGE

Rev. Sr. S. Philips Mary
BBA, MBA

Education plays a crucial role in shaping children into responsible individuals and contributing members of society. As members of the community, they will possess both rights and obligations. Educational institutions facilitate knowledge acquisition and personal development.

Educators motivate and support students in achieving physical fitness, mental acuity, emotional resilience, and ethical standards. Our objective is to deliver a high-quality education that equips students to adapt to an evolving world and enhance the quality of life for everyone, fostering a harmonious and joyful existence.

Sincerity and Integrity in Teaching Profession

"Show yourself in all respects to be a model of good works, and in your teaching show integrity, dignity, and sound speech that cannot be condemned, so that those who oppose you may be ashamed, having nothing evil to say about us."
- Titus 2:7-8

As educators, school teachers play a vital role in shaping the minds and characters of future generations. Among the essential qualities that define effective teachers, sincerity and integrity stand out as crucial attributes that foster trust, respect, and academic excellence.

Sincerity in Teaching

- ❖ Sincerity in teaching means being genuine, authentic, and true to one's words and actions.
- ❖ A sincere teacher is transparent, honest, and committed to their students' well-being and learning. They create a safe and supportive environment where students feel valued, heard, and encouraged to grow. Sincerity builds trust, and when students trust their teachers, they are more likely to be receptive to learning and personal growth.

Integrity in Teaching

- ❖ Integrity in teaching involves upholding high moral and ethical standards, being accountable for one's actions, and demonstrating consistency between words and deeds.
- ❖ A teacher with integrity is fair, impartial, and committed to doing what is right, even when faced with challenges or pressures. They model the behavior and values they expect from their students, promoting a culture of responsibility, respect, and honesty.

Importance of Sincerity and Integrity in Teaching

- 1. Builds Trust:** Sincerity and integrity help build trust between teachers, students, and parents, creating a positive and supportive learning environment.
- 2. Promotes Academic Excellence:** When teachers demonstrate sincerity and integrity, they inspire students to strive for excellence, fostering a culture of academic rigor and achievement.
- 3. Shapes Character:** Teachers with sincerity and integrity play a significant role in shaping students' characters, teaching them valuable life skills, and promoting positive values.
- 4. Fosters Positive Relationships:** Sincerity and integrity help teachers build strong, positive relationships with students, colleagues, and parents, leading to a more collaborative and effective educational community.

While maintaining sincerity and integrity teachers have opportunities to:

- 1. Reflect on Their Practice:** Regularly reflect on their teaching practices, ensuring they align with their values and promote student learning.
- 2. Seek Feedback:** Seek feedback from students, colleagues, and parents to identify areas for improvement and growth.
- 3. Model Desired Behavior:** Consistently model the behavior and values they expect from their students, demonstrating sincerity and integrity in their actions and words.

Conclusion

In conclusion, sincerity and integrity are essential qualities for school teachers, fostering trust, promoting academic excellence, shaping character, and fostering positive relationships. By embracing these values, teachers can create a supportive and inclusive learning environment, inspiring students to grow academically, socially, and emotionally. As educators, we must strive to embody sincerity and integrity, recognizing the profound impact these qualities have on our students' lives and the educational community as a whole.

DEPARTMENT OF SCHOOL EDUCATIONS - DFT

CIRCULAR – REGARDING POSCO / ANTICORPORAL PUNISHMENT

All the staff members are requested to adhere to the child protection policies of the school. Staff are requested to strictly maintain healthy distance from girl students. Be quite professional in your attitude and avoid unpleasant situations. You're not allowed to comment on our students, pat/fondle them, exchange phone numbers, gifts or compliments. Be aware of the incidents in context with exposure of pornographic representations in any form. If any child reports on such incident, the staff will be imprisoned for a period of six months and ever will be terminated from service immediately. All these cases are under POSCO Act which is non-bailable offense.

Parents are quite particular that even kindergarten girl students are not to be pampered or touched by male staff, drivers, PETS etc. Laws are stern that no one can support you even if it is a manipulated case. Let us be mindful of our actions. The law offers all sorts of priority and security to the victims in spirit of evidence. The school has various initiatives to collect reports on teacher's approach towards students. If any case is reported against any teacher, he/she will be terminated from service without any delay. No grievances will be accepted post incident. It is your sole responsibility to be away from all sorts of controversies. At this moment, let us update ourselves with POSCO ACT and its legal sides.

POCSO or The Protection of children from Sexual Offenses Act (POCSO Act) 2012 was established to protect the children against offense like sexual abuse, sexual harassment and pornography. It was formed to provide a child friendly system for trial underneath which the perpetrators could be punished. Cases under POSCO Act is non-bailable offense and severe actions will be initiated:
